Are your animals Current on their Rabies Shots?? Yes No

If not they will need to be before I can begin service, I come into contact with many animals and can't risk the health of others. This is **VERY IMPORTANT** for you to do as an animal owner. I also prefer that dogs be wearing their collars with the rabies tag attached to it for safety reasons.

Does your dog/dogs wear different leashes for walks, such as a harness, gentle leader, choke chain or prong collar? If so list what they wear, when....

And lastly we have the dreaded question we don't like to ask but we need to know.

If something terrible happens to your pet while you are gone, do you want to be contacted or wait till you get back home to find out? We of course, will take your pet to your vet and have it held their awaiting your return, we will not make euthanasia decisions though and will contact you or your emergency contact person if that is the case.

Yes, Contact Me

No, I rather not have it ruin my trip
