Key

____ Keep on file _____ Leave on last visit Where? _____

I understand that if I have the key left inside my home on the last visit that if I am delayed and need future visits there is no way for Cindy's Pet Services to get in my home. I also understand that there will be a \$10 visit charge for key pick-ups or returns. In case of a faulty key, lock-out or emergency does anyone else have a key to your home?

If no one else does please list a back-up entry way to your home or give me your garage door code or location of a hide-a-key if you have one, I suggest you put one out for emergencies during pet sits.
